

Dynamo Tekkers Football & Futsal Club Statement:

Team name: Dynamo Tekkers Reds

Age group: u14's

Ground (primary) – The Forest School, Winnersh, which is 5-7 mins from M4 junction 10.

Having played Sunday football in the RWBL since the team were u7's, we are looking for a new challenge and excited at the prospect to play in the PHYL.

We are a well-established team, and the club is celebrating its 10th anniversary this year. We pride ourselves on playing an attacking, passing style of football with everyone keen to develop and to enjoy their football, players, and spectators alike.

We have been playing at a competitive level in the RWBL, finishing runners up in Division 1 last season, as u13's. We are used to travel, including cup matches across the region, which would not be an issue for us, when required.

We are familiar with several of the teams already in the PHYL and the feedback we have received, suggests it is a high quality, well organised, competitive league, which we would welcome the opportunity to join.
