

My son played U14 Farnborough FC in Div1 last season - that team is folding.

I am trying to save what remains of the team by combining with Rushmoor Community Youth FC U14 Predators from the Surrey Primary League as they have also lost the majority of their players.

My plan is to enter the U15 Peter Houseman next season under the Rushmoor Community Youth FC banner.

Play at Southwood Pavilion Farnborough GU14 0LE

Rushmoor Community FC is a 5 Star Chartered Club established 25 years ago and based in Farnborough, Hampshire. We host football from aged 4 boys and girls through to veterans and include disability, Youth and adult female football amongst our portfolio of over 40 teams and circa 600 members.

Our founding principle is to be truly all-inclusive and provide equal opportunity access to football in our community.

The up-coming 2023-24 season will be the first we look to broadening our offering, by providing Sunday afternoon football in the Peter Houseman League to our U15 open-sex team.
