KNOCKOUT ROUTE TO FINAL

(Scores shown for Under 12 and up only)

Sherborne St John Youth U9 Saints

We have had a great season so far, and we feel exceptionally fortunate to have a squad of 12 phenomenal footballers who are all passionate on the pitch, and have showed real courage, grit and determination, showcasing some fantastic football this season. From the very first kick-off, where we rattled the net with an astonishing 10 goals, to our unyielding presence in the cup, we've proven ourselves a force to be reckoned with.

United since the U7's/U8's, our bond has only strengthened with the addition of some fresh faces this season, injecting even more power into our line-up. With an unbeaten streak in the cup and just two defeats this season, we're primed for the challenge. After falling short in last year's cup final, the hunger for victory burns brighter than ever.

Our next challenge? The formidable Winklebury Wizards Blue! We approach every match against this team with respect, knowing it will be tough and fiercely competitive until the final whistle. We consider this fixture a derby and hold nothing but admiration for the opposing team and their coaching staff. Best of luck to both teams on the day, and congratulations to Saints and Wizards for reaching the final.
