## MANAGER MESSAGE

We are a club that prides itself on inclusion and building positive relationships through sport. Focusing on the attitude and behaviour of the players. Loddon Sports was formed in 1970, and we have been part of the PHYL for a long time. Today is a special day for the Loddon Dynamos, as a group of friends, many have been playing together since they were 4/5 years old. The memories of today will hopefully last a life time. We look forward to the final - but the journey to get here is what I am most proud of as the coach.
